**** 2011 PEMA Technician School ****

Don't forget! Registration for the 2011 PEMA school is still open. If you are planning on attending, or sending your technicians, log on to <http://www.regonline.com/2011sacsafetyexpo> to get your 2011 Safety Expo and PEMA class schedules and enrollment forms.

The "2011 Safety Expo and PEMA" classes will be held at Cosumnes River College, April 19th – 21st. Please sign up for classes no later than April 11th. Low enrollment could result in classes being cancelled. If you have any problems in registration, contact Heidi Huges at 916-442-8991, or heidi@sbxchange.net, as well as any PEMA Board member.

Cosumnes River College is located at 8401 Center Parkway Sacramento, CA 95823.

Looking forward to seeing everyone there!

****March Meeting at Sam's HofBrau****

Frank Wheeler and **Tim Powers** with **Municipal Maintenance Equipment (MME)** Hosted a very informative meeting along with some great eats at Sam's HofBrau in Sacramento March 8th.

Representatives from ARB Eric Walton and Danielle Chambers shared some great information about changes and enforcements in the current Fleet Rule for Public Agencies and Utilities (PAU) and the Portable Equipment Registration Program (PERB).

Eric Walton from ARB will also be putting on a training course, "**PORTABLE EQUIPMENT REGISTRATION PROGRAM AND THE PORTABLE ENGINE ATCM**" April 12th in Sacramento (see attached flyer).
