February 2014 PEMA Meeting

Thank you to **Wattco** for hosting the February PEMA meeting at their facility in Cordelia on February 11th. The meeting was well attended and received high marks for the presentation by Joe McNutt on MNSTAR Technologies Fabricated Wiring Harnesses. The method of construction, materials used and the support for these products are impressive. The now, near-legendary Wattco Lasagna lunch was enjoyed following the presentation.

Thank you Wattco !

Volunteer Opportunities

Opportunities still remain to help direct the course of our organization for the remainder of this fiscal year. We are seeking members for the position of Treasurer and two Agency board members.

If you are interested in helping PEMA improve and help shape the future of our organization, please contact Randy Laney, Russ French, Dan Miller, Bob Mattingly or Steve Adair.

Your input is essential to help guide PEMA and have the organization be successful.

Please Visit Our Website!

PEMA's website is www.pema-ca.org. You'll find information there including contact information for members of the Board, Vendor links, membership applications and more.

Please remember, PEMA is a Not-for Profit organization that relies on membership dues to support organizational expenses and to help provide training for our members.
