***** PEMA year end picnic Friday June 3,2011*****

It is already time for the June picnic! The PEMA year end picnic will be held at the City of Rocklin's Johnson-Springview Park again this year. Please plan on attending for a chance to win the grand prize flat screen TV. Ten \$50 prizes and Ten \$25 prizes will also be raffled off this year.

This will be a great opportunity to thank our out going President Dan McCann for his past years of dedication to the PEMA organization. The PEMA organization was truly lucky to have someone like Dan McCann that spent so much of his time to the organization.

Thanks again Dan, from the Board.

You will truly be missed!!

The year end picnic also poses the opportunity for PEMA members to sign up for the vacant board member positions. We also need vendor members to sign up to host the monthly meetings.

Johnson-Springview Park address is 5480 Fifth St. Rocklin, CA 95677.

Please RSVP to rlaney@lodi.gov by Tuesday May 31, if you are planning to attend.

****May's Meeting****

Lehr's 3rd Annual Fleet Show

A big thank you to LEHR Auto for hosting a fantastic May PEMA meeting. Jim Stommel and the group at LEHR put on an excellent fleet show with lots of vendors and manufactures present to assist in emergency vehicles needs. LEHR's staff was on hand and also very helpful answering questions. Thanks again Jim!

Membership and Board Vacancies!

The PEMA organization is looking for additional membership participation from municipal jurisdictions and vendors from Northern California. If you are aware of any agency or vendor interested in becoming a member of PEMA, please refer them to the website, a board member, or have them attend any of our meetings for additional information and to sign up!

If you are interested in becoming a Board Member or would like to nominate a member in good standing, please advise Board President, Dan McCann as soon as possible.
