Clean Cities/ PEMA Meeting

September's PEMA meeting, in partnership with the Greater Sacramento Regional Clean Air Coalition and the Sacramento Metropolitan Air Quality Management District, was another success. The meeting was well attended by members and guests who heard discussions regarding SCR (Selective Catalytic Reduction) technology compared to EGR Technology for clean 2010 diesel engines. Equipment displays provided show and tell opportunities and face to face discussion with manufacturer representatives. Thank you to the City of Sacramento for loan of the facilities, arranging the vendor show, and assistance in setting up and taking down chairs and tables.

NEXT MEETING

<<<<**OCTOBER**>>>>

October 12th, 2010 11:00 A.M

**Electric Vehicles International, LLC
1627 Army Court, Suite 1
STOCKTON, CA. 95205**

October's meeting will be plant tour at the world headquarters of EVI and a ride and drive demonstration of Class 5 and 6 Trucks.

EVI has designed and made commercially available their own ZERO Emission, all Electric power train consisting of electric motors and cutting edge controllers. They work through a close relationship with Daimler and Freightliner and have electrified popular medium duty trucks.

Come experience the performance of these trucks—you will be impressed. Google their address for directions or call Dan McCann at 209-468-3106 or Randy Laney

Please RSVP by October 7th. Contact PEMA Secretary Randy Laney at rlaney@lodi.gov or 209-333-6800 X2684.
